WHOLESALE
PRICE LIST
- OF -
1930

Sun Nurseries
542-550 E. Jefferson Blvd.
Los Angeles :- California

OBSERVE BEFORE ORDERING

This price list is for the TRADE only. Prices are subject to change without notice.

TERMS: Cash. Parties unknown to us are required to pay cash with order and will be allowed 2% discount.

Orders to be sent C. O. D. must be accompanied by 25% of the amount.

CHARGE ACCOUNTS: Where parties are known to us or furnish satisfactory references, our terms are sixty days net. New charge accounts should be accompanied by bank or trade references and sufficient time allowed for investigation before shipment is made.

PACKING: Practically all lining out stock will be taken from pots and wrapped separately in paper. Stock in gallon and large containers shipped in less than carload lots will be crated. Cost of packing material will be added to the prices where shipments move in less than car lots.

TRANSPORTATION: We deliver by truck all orders of \$20 or more free of charge within a radius of 35 miles from Los Angeles. Definite shipping instructions should be given by the purchaser as to the method of shipment preferred. Where shipping instructions do not accompany the order we will exercise our best judgment as to the manner of shipment.

PRICES: All prices quoted are for the stock f.o.b. Los Angeles, Calif., packing material additional at cost, and subject to prior sale; 5 to 50 of same variety and size at 10 rate; 50 or more at the 100 rate. Deduct price of quantity.

CLAIMS: Any claims for shortage or demands for adjustments must be made in writing within five days after the arrival of shipment.

GUARANTEE: We exercise every care to have our stock true to name. Nevertheless, it is understood and agreed that should any stock prove untrue to name, the SUN NURSERIES will be liable only for the sum paid for such stock which may prove untrue and shall not be liable for any greater sum. We book all orders with the understanding that they shall be void if injury befall our stock from flood, frost, drought or any other causes beyond our control.

Write us for anything you do not find listed, as we have many varieties in insufficient quantities to warrant listing.

Our nursery plants are free from injurious insects, pests and diseases.

INVITATION

The best way to become acquainted with our clean, quality stock is to visit our nurseries.

Main Nursery: 542-550 E. Jefferson Street, Los Angeles, Calif. Phone AXridge 1652.

Growing Grounds: Corner Doty and Flower Streets, Hawthorne, Calif.
